

University of California-Santa Cruz

Dear Ms. King

It was an absolute pleasure hosting you and your powerful 1-woman show "Momma was a BAD Mutha...Shut Yo Mouth"

Your work is so important and holds much value to young people and the world at large. Myself my staff and the over one hundred students in attendance were moved beyond words. This being my second time seeing your show, I am still amazed at how you're able to pull a multitude of characters (15) with such fluidity and grace.

Your show is not only thought provoking, timely and important; however, very funny and written with such intelligence and empathy.

I have to say I was deeply inspired and moved by your show and the Q & A segment afterwards
